## Luke 16

8 “The master commended the dishonest manager because he had acted shrewdly. For the people of this world are more shrewd in dealing with their own kind than are the people of the light.

10 “Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much.

13 “No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money.”
